The "Mother Road" comes alive with the memorabilia from the glory days of Route 66. Take a stroll down memory lane as you browse through the pictures, artifacts, and stories of the highway as it first began in Illinois in 1926. With over 1,000 items on display, including the Waldmire school bus motor home, the museum celebrates the entire history of this most famous highway. All of this is on display in the historic 1900 Old City Firehouse which is listed on the National Register of Historic Places. See the world's largest Route 66 shield mural on the outside south wall - a great photo opportunity!
